Corruption Prevention and Combating Bureau (KNAB) has prepared Latvian version of the „Anti-Corruption Ethics and Compliance Handbook for Business”.

Latvia is a party to the OECD Convention on Combating Bribery of Foreign Public Officials in International Business Transactions and in order to raise awareness in private sector concerning the necessary internal control measure for the prevention of corruption, KNAB has translated the manual released jointly by the OECD, the United Nations Office on Drugs and Crime and The World Bank „Anti-Corruption Ethics and Compliance Handbook for Business” (published in 2013).
